§ 1.

General

1. Este reglamento (en adelante, el "**Reglamento**") define las reglas de la campaña promocional (en adelante, la "**Campaña Promocional**") denominada "**ACCESORIOS SELECCIONADOS PARA DECORACIÓN Y EL HOGAR - 3 POR EL PRECIO DE 2**" (en adelante, la "**Acción Promocional**").
2. La Campaña Promocional está organizada por la empresa Dealz España S.L., B-86867512, con domicilio social en Bravo Murillo 192, 28020 Madrid (en lo sucesivo, el "**Organizador**").
3. La Campaña Promocional se llevará a cabo en el territorio de España en las tiendas de la cadena PEPCO durante su horario de apertura (en lo sucesivo, las "**Tiendas PEPCO**").
4. La Campaña Promocional se llevará a cabo a partir del **19.08.2024** hasta el **04.09.2024** o hasta agotar existencias de los productos participantes en la promoción (en adelante, el "**Período promocional**").
5. Todas las categorías de productos especificadas en el Anexo No. 1 del Reglamento (en adelante, "**Productos promocionales**") participan en la Acción Promocional.

§ 2.

Reglas de la Campaña Promocional

1. Un participante de la Campaña Promocional (en adelante, el "**Participante**") puede ser cualquier persona que, durante el Período promocional, compre al menos tres Productos promocionales (en adelante, el "**Conjunto**") en las Tiendas PEPCO como parte de una transacción (es decir, en un recibo fiscal o una factura con IVA) en los términos establecidos en el Reglamento.
2. Un Participante que compre al menos tres Productos promocionales en una transacción (en un recibo o en una factura con IVA) recibirá un descuento por el importe del precio bruto del más barato de los tres Productos promocionales comprados (en adelante, el "**Descuento**"). El Descuento se extenderá a todos los Productos promocionales comprados como parte del Conjunto. El precio de cada producto del Conjunto se reducirá en el valor del precio del Producto promocional más barato, en proporción a todos los precios de los productos individuales incluidos en el Conjunto, de acuerdo con las reglas establecidas en el Anexo No. 2.
3. Como parte de una transacción (en un recibo o una factura con IVA), el Participante puede comprar más de tres Productos promocionales, en cuyo caso las reglas para combinar Productos promocionales en Conjuntos se establecen en el Anexo No. 2.
4. El Descuento se otorgará al finalizar la compra. El Descuento se otorgará sobre los precios, los cuales ya incluirán el IVA, colocados en las etiquetas de precios de los Productos promocionales.
5. El Organizador declara que el número de Productos promocionales en el ámbito de la Campaña Promocional es limitado y que la disponibilidad de cada uno de los Productos promocionales puede variar en cada una de las Tiendas PEPCO.

6. Los Productos promocionales adquiridos en el marco de la Campaña Promocional son reembolsables de acuerdo con los Términos y Condiciones del servicio "Garantía de devolución de dinero", disponible en la página: www.pepco.es. En este caso, se reembolsará al Participante el precio del Producto Promocional devuelto tras tener en cuenta el Descuento indicado en el recibo.

§ 3.

Anexo No. 2 - Reglas para combinar productos promocionales en conjuntos - cálculo de descuentos.

Combinación de productos promocionales en paquetes

Los conjuntos constan de 3 productos o múltiplos de 3. Si el Participante compra más de tres Productos promocionales, se combinan en conjuntos de la siguiente manera:

- (i) en el caso de una compra de 3 o un múltiplo de 3 Productos promocionales, todos los Productos promocionales comprados se combinan en un solo Conjunto;
- (ii) en el caso de compra de Productos promocionales en cantidades que no sean múltiplos de 3, los Productos promocionales comprados más caros o los 2 más caros comprados quedarán excluidos de la Promoción y no se incluirán en el Conjunto, y los Productos promocionales restantes se combinarán en un solo Conjunto.

Cálculo y liquidación del Descuento

En el caso de compra como parte del Conjunto de tres Productos Promocionales, el Descuento se calcula en la cantidad que constituye el precio del más barato de los Productos Promocionales.

En el caso de compra de más Productos Promocionales dentro del Conjunto, los Productos Promocionales se clasifican de acuerdo con su precio, y el Descuento se otorga en la cantidad que constituye la suma del precio de X Productos Promocionales más baratos, donde X es el número de ocurrencias de 3 Productos Promocionales en el conjunto.

El descuento se liquida en el precio de todos los Productos Promocionales adquiridos incluidos en el Conjunto, en proporción a su precio.
